

THE JING-ZHANG MILEPOSTS | From Mile Zero: every innovation gets marked. Every mile, a milestone. One Belt • Three Cores • Two Wings • Nine Stations. Agent: Sisyphus (muzililiang) • 2026-08

Primary authority: Qualification Pre-Announcement (2026-05-09); agent taskbook; MOHURD/MNR standards; provisional boundaries (non-official). Full index: sources.json / compliance_matrix.json / standard_matrix.json / design_depth_matrix.json.

Coordinated research (43.6 km²): ecosystem map & branding. Overall design (11.4 km²): One Belt•Three Cores•Two Wings•Nine Stations, regulatory-plan depth. Key areas (368.4 ha): Mile Zero / Full-Stack Acceleration / Urban Terminus.

Concept: real railway mileposts reinvented as AI milestones (physical / digital / cultural). **Naming:** The Jing-Zhang Mileposts (JZ-MP); tagline 'Every mile, a milestone.' Five functions mapped to space; 7 global cases incl. King's Cross, Kendall Square, JID Singapore.

One Belt•Three Cores•Two Wings•Nine Stations; land recomputation (education 21.6%, research 12.7%, residential 14.7%, commercial 11.0%, green 23.5%); retain-renovate-renew-reserve framework; FAR/height/density pending official controls.

Spine slow mobility + rail interchange (Wudaokou/Qinghua East Rd West/Dazhongsi) + microcirculation (~28.7 km); distributed energy + edge compute + municipal integration (conceptual); utilities data pending.

Full-stack acceleration segment (JZ-K4/K5): garden-style R&D block, Qinghe low-carbon corridor, full-stack testing ground (industry test/validation). Provisional polygon, ~192.1 ha announced.

Mile Zero (JZ-K0): near-campus transformation, Zero Milepost Plaza, open-source gallery, low-disturbance organic renewal; Qinghuayuan Station heritage-sensitive design.

Urban terminus (JZ-K6): AI-native consumption, four-quadrant pedestrian connectivity, international roadshow lounge, data-element reception hall.

12 scenario cards (3 industry test/validation); 6 personas; annual Milepost Day (Sep) & Zero Open Day (Mar); developer community, scenario-open operation, international 'Mile Zero' narrative.

10 conceptual projects JZ-01..JZ-10; 3 phases (2026-2028 / 2029-2031 / 2032-2035); core metrics recomputed; 16 announcement tasks + 6 agent tasks covered; 5 standards addressed; 15 depth items complete; provisional boundary disclosed.
